Sir,

I have the honour to state that consequent on the sudden demise of Mr.M.Narayana Reddy on the 17th instant, the place of the Deputy Director of Agriculture has fallen vacant and is required to be filled up by seriatim promotion. I recommend that Dr.B.T. Narayanan, who is the Senior most officer in the Department in grade Rs.300-25-600, may kindly be appointed as acting Deputy Director in grade Rs.700-50/2-800. Pending the submission of proposals separately for filling up the post of the Principal of the Agri= cultural College, I recommend that Government may be pleased to permit Dr.B.T.Narayanan, appointed as acting Deputy Director of Agriculture, to be in additional charge of the duties of the Principal of the College also tentatively, as an interim arrangement till an Officer is posted to relieve him of the duties of the Principal.

Among the several duties assigned to the Deputy Director as per Government Order No.A.F.2536-7/Agri.84-46-2 dated 30th October 1946, he may be entrusted for the present with only the marginally noted* 3 items of work, the rest being attended to by me alone, in order that he may be enabled to attend to the duties of the Principal. Proposals to fill up the place of the Principal of the Agricultural College will be submitted shortly.

* 1) The organisation and systematisation of experiments in demonstration and propaganda conducted all over the State including the subvention and "A" Farms and Demonstration Plots and bringing to the notice of the Research Staff points which the work of the District Staff reveals as requiring their special attention.

2) Inspection of all subordinate offices and experimental Farms including the Scientific Sections.

3) Countersigning all Travelling Allowance bills of the Depart- ment, except those of the Offices of the Director and Deputy Director.

I request the favour of very early orders of Government in the matter.

I have the honour to be,

Dated 14th February *1947*.

Dear Mr.Ismail Sheriff,

I have just received a letter from Mr.P.H.Rama Reddy intimating that he would report for duty on Monday the 17th inst. as Principal of the Agricultural College,Hebbal.

In this connection I may state that Dr.B.T.Narayanan, who will be relieved of his duties as Principal of the Agricultural College, on the 17th inst. will have to be posted as Deputy Director of Agriculture as per his seniority (vide Mr.M.Narayana Reddy deceased) as has been already proposed by me in my letter No.Est/C 354/46-47 dated 26-12-46. But no orders of Government appointing him as Deputy Director has yet been received. As the post of the Deputy Director has been remaining vacant for the last about 3 months, the work is being very much handicapped, and as such I have asked Dr.B.T.Narayanan to be in additional charge of the duties of the Deputy Director from the 17th inst, the date of his relief in the Agricultural College, pending the receipt of orders of Govern-

P.T.O

Government re. his appointment as Deputy Director.

I request you therefore to kindly obtain very early orders of Government in the matter.
